Linden Woods Scholarship Recipients

The Linden Woods Community Foundation is pleased to announce the recipients of the 2021-22 scholarship, who each received \$1,100. With the additional challenges posed by the pandemic, it was gratifying to make the pursuit of post secondary studies a little bit easier for at least two students.

Doris Goubran (photo) has lived in Linden Woods since elementary school and is currently in her third year of Health Sciences (Interdisciplinary Health Program) at the University of Manitoba, expecting to graduate in May 2023. In addition to full time studies, she is an executive member of the Community Health Students Association and has been involved in several volunteer activities. These include Winnipeg Harvest, Sunday School, and instructing at science workshops for school children in Winnipeg and rural Manitoba.

Sydney Mead is in her second year studying biochemistry at the University of Winnipeg, expecting to graduate in spring 2023, after which she hopes to attend medical school at the University of Manitoba. Her goal is to become a family physician, practicing in and around Winnipeg. She has lived in Linden Woods since she was 7 years old, attending Van Walleghem School from grade 3 to 8.

The Linden Woods Community Foundation Scholarship is awarded annually to students attending the University of Manitoba and the University of Winnipeg. Applicants must have been a resident of Linden Woods for at least 2 of the last 5 years, enrolled full-time in second or subsequent year of studies, and have demonstrated community involvement and initiative. The endowment fund is managed by the Winnipeg Foundation.

The LWCF Board is grateful for the continuing donations to the scholarship fund, which allow the endowment fund and the annual scholarships to grow. Anyone who wishes to make a donation can do so by dropping off a cheque payable to "Linden Woods Community Foundation" (with "scholarship" noted on the memo line) at the community centre office during regular office hours, or online at www.canadahelps.org or www.wpgfdn.org.

VOLUNTEERS NEEDED FOR SOCCER PROGRAM TO CONTINUE

Youth soccer needs volunteer coaches and assistant coaches.

This program is run under the auspices of Winnipeg South End United Soccer Association, but relies on community volunteers for their recreational program.

If you can help, please contact Tracey Wright at lwcc.youthsoccer@shaw.ca or Julie Bubnick at lwcc.treasurer@shaw.ca or 204-488-1550.

Successor Treasurer Wanted

The incumbent treasurer is committed to staying on until the term ends in March 2023, but in the interests of facilitating a smooth transition now and then, has begun looking for a successor. The treasurer oversees the work of the administrative assistant who is responsible for the bookkeeping, prepares monthly financial statements for presentation to the Board and submission to the City of Winnipeg, manages cash flow, ensures that appropriate financial controls and procedures are in place, is one of the signing authorities for the centre, prepares the annual budget, and in general oversees all financial matters of the centre. To volunteer or for more information, contact Julie Bubnick at lwcc.treasurer@shaw.ca or 204-488-1550.

LWCC Annual General Meeting – Sunday March 20 at 1:00pm

Community residents are invited to attend our AGM. Although the restrictions are expected to be removed before our meeting, we will be mindful of our visitors' health concerns around masks & social distancing. This will be your chance to meet the volunteers who are on the Board and find out about opportunities to get involved. If you are comfortable doing so, you can also participate in a guided tour of the community centre following the meeting. Refreshments will be provided.

Spring basketball registration open

Is your child looking for a shorter intro to basketball season? Or to continue to play throughout the rest of the school year to continue developing their existing skills? Then sign them up for Spring Basketball with the WMBA. Simply go to the WMBA website and register your child with the LWCC as their home community centre and get ready for a fun-filled season full of skills and games. It's a great compact season that has something for everyone!

How will you get through the winter blues?

Dreaming about your summer plans? Wondering how accurate that groundhog was, in predicting spring's arrival?

Well, we've also been thinking about things to look forward to and our 'special events' minds have been pondering a weekly farmers' market at the LWCC. Imagine how much you'd enjoy that... Imagine having that fun, bustling destination every week. Ahhhh! Keep that thought percolating.... And watch for details in social media, Linden Words and website.

Snow and Ice Troubles

If you were in the vicinity of the community centre in January or February, you may have noticed that we had snow troubles, just like everyone else, with snow piles taking up half of the parking lot and creating a tunnel to reach the rinks out back. To add to our woes, there were multiple equipment failures involving our aged equipment (tractor, ice surfer, snowblowers).

Staff have done their best with the resources we have, and the conditions they have had to work in. The process of replacing at least some of the equipment has begun, so we can say with confidence that next winter will be better!

Advertisers needed.....

A very big thank you to all of the advertisers who have subscribed to one of our advertising packages. They are all listed on the back page, and on the website, so please check them out. It is their support that makes it possible for us to deliver the newsletter to you.

However, there still some \$800 packages available, and we do need a few more to breakeven for the 2022 publication year. If you are interested in supporting "Linden Words" as an advertiser, or know of someone who might like to hear about the opportunities we are offering, please contact **Katrina Hotel** at lwcc.communications@shaw.ca or **Julie Bubnick** at lwcc.treasurer@shaw.ca for more information.
