Annual General Meeting 2023

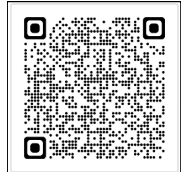

March 19, 2023 | Sunday | 1:00pm / LWCC Multi-Purpose Room

All members of the community are encouraged to come and meet the board members as well as consider how they could begin their foray into volunteering for the community centre. With post pandemic life returning to normal, it's time for the community to come together again, to create events, programs and a meeting place that connects us.

The agenda includes election of officers for the Board of Directors who are elected for a term of two (2) years. Interested candidates should contact lwcc.president@shaw.ca to discuss the board positions. Full details of the positions and their responsibilities are available on our website at www.lindenwoodsc.com, or scan QR code >>>

RSVP to lwcc.president@shaw.ca by **March 12** to:

- receive a meeting package and
- to help us plan capacity and refreshments.

COMMERCIAL KITCHEN

New food entrepreneurs often lack capital to invest in an inspected and approved commercial kitchen. For those exact scenarios, we've got a fully licensed commercial kitchen available for rent for most any food preparation.

It often can be rented to suit your schedule.

Give our General Manager, **Jordan** a call, to book a tour! (204) 487-2435

Kleysen Park Upgrades

Kleysen Park will be getting a facelift this summer - new play structure, improvements to the spray pad drainage, better access, and covered picnic area. The project has been undertaken by Councillor John Orlikow and is primarily funded by the City of Winnipeg. A huge thank you to **Hubert and Bernice Kleysen** for their very generous donation that got the whole thing going.

Details will be on display at the **Annual General Meeting** on **March 19**. RSVP to the meeting, then come on out and take a look. You'll be one of the **FIRST** to get a sneak peak at what is planned!

Linden Woods Community Foundation Update

The Foundation will be holding its Annual General Meeting on **Sunday, March 19, 2023** immediately following the Community Centre's meeting. The agenda includes elections for President, Vice President, Treasurer, and Secretary. Terms are for only one year, with meetings being held as required, which generally works out to only a few times a year.

There will be updates on the recent activities of the Foundation, such as the scholarships provided to Universities of Manitoba and Winnipeg; replacing the donor recognition plaques for the 1995 capital campaign; upgrades to Kleysen Park (noted above); and a couple of new things that are being considered.

For information about the operations of the Foundation, or to volunteer for a Board position, contact **Julie Bubnick** at 204-488-1550 or jbubnick@shaw.ca.

The Foundation accepts donations by cash, cheque, or www.CanadaHelps.org. Cheques made out to "Linden Woods Community Foundation" can be dropped off at LWCC or mailed to 414 Lindenwood Dr W, WPG, MB, R3P 2K5

HURRY, HURRY, there is more QUILTING to be done!

Machine Quilting Series, will be starting this month. New & experienced quilters often have the most difficulty with the process of sewing all 3 layers together. It takes not only knowing the “how to”, it also takes considerable practice and dexterity. This series will give you all of that plus the confidence to achieve success. There will be lots of in class practice. The series will be divided into parts. Each part is distinct and separate from the other. For now we will cover introduction to Free Motion and use of the Walking Foot.

INTRO TO FREE MOTION - gets going when you attach your darning foot and lower those feed dogs! Gradually gain confidence and dexterity as you master basic designs and use of templates. FM is all about starting simple, giving yourself time, and having a willingness to practice. After 3 weeks you will be much improved and much more confident!
Thursdays, 1-4 pm March 16, 23, 30 Cost \$90

THEMED BAR QUILT will be created as a twin sized bed quilt. It is a good follow up to the beginner course. You will learn Strip Piecing, how to set blocks diagonally and much more. Horizontal pieces of full width theme fabric set the tone for who will be using it and make construction much quicker than most bed quilts. Beginner friendly after a basic piecing course.
Thursdays, 1-4 pm March 9 & 13 Cost \$60

STAR SAMPLER is an excellent next step if you have taken a beginner course and are looking to increase our repertoire with new skills. Each block is different, and the sashing is unique. We will discuss the borders and how to do mitered corners. There will be lots of opportunity to use Quarter Square Triangles. This class is suitable for hand and machine sewers. Size will be your choice but could easily be a bed quilt or a wall quilt. Pre-requisite is having a basic beginner course or be an experienced beginner. **Thursdays, 1-4 pm March 7,14,21 & April 11 Cost \$120**

LEARN TO PAPER PIECE is a great technique to learn. Bring your sewing machine and learn the basics in one evening. I love paper piecing and include it in a lot of my quilts for added interest. A great creative addition to your arsenal.
Thursday, 1- 4 pm March 28 Cost \$30

WINTER CANTEN HOURS

The canteen will be open on **Saturdays** and **Sundays** from **12 noon until 6:00pm**, for the duration of the winter season. New, extended, days and hours of operation will be developed in the spring.

We have popsicles, Slush Puppies, and a variety of cold drinks for those who still like things cold. For those who like things hot, we have coffee, tea, hot chocolate, noodle cups, and hot dogs in addition to the ever popular mini donuts and popcorn.

NEW to the offerings are pizza pops -and- a **NEW** stock of our generously sized (15 oz) coffee mugs! Mugs from the first order, were quickly discovered as having the perfect size of handle, making your coffee/hot chocolate just one very easy, comfy grasp away! It is available at the canteen or from the general office for **\$15/mug!**

Come on in and pick up a couple of mugs for your favourite coffee drinkers! The canteen accepts debit and credit cards with a minimum purchase of **\$4.00**

SUMMER JOBS—Watch the website and social media for upcoming opportunities for summer employment!

Depending on grants being awarded, LWCC will be looking to hire staff to work as groundskeepers, a program coordinator, and as program, canteen or camp staff. We rely heavily on being able to hire for these jobs!

More details will be posted, but what better time to start on your resume! We'd love to start reviewing, whenever you're ready!

Outdoor Youth Soccer Registration

Registration for the 2023 recreational outdoor soccer season for ages U9 - U18 opens March 1 and remains open until March 22. The season is two games per week in May and June. New this year is playoffs for U13 - U18 will run in July instead of September.

Due to a lack of volunteers at LWCC, all youth soccer players (U9-U18) will register with Whyte Ridge Community Centre for the 2023 Outdoor Soccer Season. For Linden Woods and Linden Ridge residents, Whyte Ridge will be considered your home community centre for this soccer season.

We know that recreational soccer is all about fun and playing with friends, and to that end, Whyte Ridge will make every effort to keep Linden Woods players together and, as always, continue to collaborate with Corydon and South Winnipeg Community Centres to form teams to ensure that all kids that register by the deadline get to play.

Please see the LWCC website for registration links at www.lindenwoodsc.com/soccer

*MINI Soccer will be coordinated out of LWCC.

WMBA Spring Basketball registration is coming up. Please check the **WMBA.ca website** for this exciting 3x3 outdoor experience.

It's a great intro to the sport or a way to challenge your skills in a new format

Winnipeg Police Service Community Forum

Re: Public Safety and Crime Prevention

414 Lindenwood Dr W

Thursday March 23, 2023 @ 6:00 pm

The Winnipeg Police Service will be hosting a Community Forum with a focus on Public Safety and Crime Prevention. Senior Management from West District will be on hand to provide an overview of Policing within West District and matters specific to the Lindenwoods neighborhood, including a discussion regarding property crime. The Winnipeg Police Service Community Relations Unit will also be in attendance to present practical tips on Crime Prevention and Personal Safety, with an emphasis on securing homes and personal property.

Similar to the old proverb - "*It takes a village to raise a child*", it also takes an entire community to keep everyone safe. As a resident of Lindenwoods we encourage you to attend and participate in this Forum so that we may work together to make the community safer.

We hope to see you out here, at LWCC.

≈ Volunteering is good for the soul and the community ≈

Volunteers are the heart of the community centre. The funding we receive from the City is intended for maintenance of the building, not for employee salaries. So, if you are thinking about getting involved, now is a great time. We need a strong, functioning Board to provide oversight. We need committee members to run programs, events and special projects. Sometimes we just need someone to supervise a bouncy castle. Together we are stronger.

Do you ever wonder how effective your charitable donations are, or how much reaches the intended recipient?

Have you ever tried to research charitable organizations but gave up because the information was too hard to find or too confusing? If you are among the people who wonders about these things, there is a web site that has done most of the work for you. Check it out at www.charityintelligence.ca.
